

## RUBIES II, LLC & RUBY SLIPPER SALES MARKETPLACE SELLER RESTRICTIONS

To maintain the price integrity of our licensed costumes in the market, Rubies II, LLC has established a strict policy concerning marketplace sellers.

Every customer selling on Amazon, Ebay, Walmart.com, etc will be asked to sign an agreement to not sell any of our licensed products on any marketplace site. If they choose not to sign the agreement, they may still purchase our licensed products, but they will not be eligible to receive discounts. This will be policed and enforced. Any account violating this agreement will no longer be permitted to purchase licensed products from Rubies II, LLC/Ruby Slipper Sales.

Please note that all marketplace sellers are permitted to purchase NON-LICENSED products from Rubies II, LLC/Ruby Slipper Sales, with the ability to earn all discounts. Again, this is for NON-LICENSED products only.
