DISTRIBUTOR GUIDELINES FOR E-COMMERCE/ONLINE SALES

As a leading office and school supplies manufacturer, BAZIC Products is committed to prevent the unauthorized distribution and sales of BAZIC Products on Amazon and Walmart.com. As such, BAZIC Products expects the distributor/wholesaler to follow these guidelines when selling BAZIC Products to their retail customers.

- BAZIC Products prohibits any retailer, distributor or seller from listing or selling BAZIC Products on Amazon, Walmart.com or any of their affiliated websites in any country without authorization by BAZIC Products.
- BAZIC Products does not authorize any distributor/wholesaler to knowingly convey, distribute or sell BAZIC Products to any customer whom the distributor/wholesaler understands to sell on Amazon, Walmart.com or any of their affiliated websites in any country.
- Should your customers be found selling BAZIC Products on Amazon or Walmart.com, and is unauthorized to do so, they are at risk of receiving a negative mark on their Amazon Seller account and having their selling privileges on Amazon and/or Walmart.com suspended.

Best regards,

BAZIC Products
