## Something Happened.

We were stocking our warehouse when one of our original Featherstone pink flamingos was bit by a sickly warehouse pigeon. What morphed from that will chill you to the bone. These flesh-eating feathered fiends seem to only be obsessed with two things: eating brains and being adequately priced for mass consumption.

*Available now at your own risk, while we search for a cure!*

**Black Zombie Flamingos**  
62363 Pair in Display Box
