*Soda can ship up to half the orders in the following States: AL, AR, GA, KS, LA, MO, MS, NM, OK, TN, TX - Where soda does not ship as part of a freight plan, customers that purchase 10 cs of soda or more with candy will receive 5% off the entire order. In this situation the customer pays freight for the entire order. Alternatively customers can place soda on a separate order (\$150 min) from candy and receive 10% off the soda order and pay freight on the soda portion of the order. In this situation the soda will not count toward the no cost/discounted shipping. -Customers that only purchase soda will receive a 10% discount if they purchase 10 or more cases and the customer is responsible for freight. This discount is only applicable to offset shipping costs. –

In high cost areas there is an additional \$150 surcharge for all LTL shipments (Zip codes MA # 025-026, NY # 100-119, DC # 200 & 202-205) –
