Costumes / Wigs / Accessories

Dear Valued Customer,

Costume Culture by Franco continues to be a family oriented company. My husband Dean is our photographer and my daughters Chelsea and Taylor are a source of creative ideas, keeping their fingers on the pulse. Our company's mission is to honor and continue the legacy of my father, Robert Oumano; President, and my grandfather, Samuel Oumano; Founder of Franco American Novelty Company. The foundation of Costume Culture by Franco is built on the same strong values and integrity they upheld.

We are committed to continue excellent customer service with a personal touch. When our phone rings, you can expect a friendly voice on the other end, ready to serve your needs. Many of our loyal employees have been working for my family for over twenty-five years.

Our passion for Costumes is fueled by creating and offering unique, quality, products that excite our customers and enhance their business. Costume Culture by Franco is dedicated to creating new, fresh styles that make our business fun for everyone. We continue to offer our line of proven classic costumes, accessories and "Michele's Wig Collection", our famous wig brand, the gold standard in the industry. Our extensive line of wigs sell all year long as do many of our party themed items.

Of course, where would we be without you, our loyal and valued customers? We sincerely thank you for supporting us and giving us the opportunity to serve you. Our dedicated staff and I wish you a fun and successful year!

Very truly yours,

Michele Oumano Powell
