Hello friends,

I am so excited to launch our new Toy & Gift division! Kalan has been in the business of “Making People Smile” for over fifty years, starting as a greeting card company in my grandfather’s basement in Philadelphia. We’ve launched hundreds of different fun novelty products, sometimes dipping our toes into the toy market but never truly taking the plunge. With this catalog, those days are over. We hope you love all the great products in this catalog as much as we enjoyed creating them and we’re looking forward to showing you so many more in the coming years.

Andrew Kalan,
Chief Executive Officer
