TINSLEY TRANSFERS

HAND CRAFTED MOVIE MAGIC

Bringing movie magic directly to the consumer. Tinsley Transfers is more than just a manufacturer of high quality products. Tinsley is also an Award winning makeup effects studio. With an Academy Award for it's prosthetic innovation, the FX Transfer and Tattoo FX. Tinsley has also garnered Emmy and Guild Awards for its work on Film and Televeision.

“Making products has always been a passion of mine. My beginnings were born in the Halloween Store purchasing fake blood and masks. Having found my success in Film, to bring that quality to someone who also might find inspiration like I did, is the core principle to why we do this.”
