LOOX

Theatrical

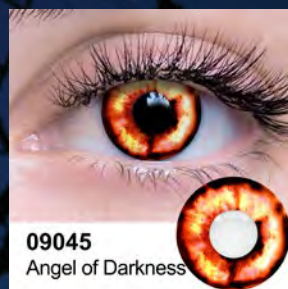

Theatrical Contact Lenses are extremely popular all year round for parties, festivals, costume events and comic conventions. These 90 day lenses are opaque for maximum effect.

Natural

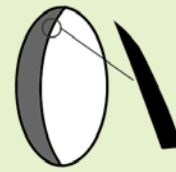

Quality

Color Lock Technology encapsulates color pigments within lens material to avoid direct contact.

40% Water Content allows oxygen to pass through while keeping eyes naturally hydrated.

Thin Edge Design fits naturally on the cornea, for added comfort.

Regulatory

Stringently tested by approved auditors for the following certifications:

- ISO 13485:2016 Medical Devices
- MDSAP (Medical Device Single Audit Program)
- Health Canada - Class II Medical Device
- US FDA - Class II Medical Device

Arguably the most safe & comfortable colored contact lenses ever made!

Lens Verification (US customers only)

The US FDA and FTC have very specific requirements on how contact lenses are sold and documented. At Camden, we take care of this for you. Every lens sold in the USA comes with our verification service.

We reach out to your customer's Eye Care Professional to verify the prescription. We keep meticulous records as well as ensuring you are informed of the status of the verification.

Starter Kit

The perfect intro to get started...

BESTSELLERS KIT

3 pairs each of 24 of our best selling designs
Acrylic display case
20 lens cases
2 fabric banners
