PAYMENT

All orders must be paid in full before shipping.

Credit cards with processing fee (VISA, MASTERCARD, DISCOVER, AMERICAN EXPRESS) are the best form of payment to process your order. We also accept checks but please note, we will not ship your order until the picture of the check is received.

Wire transfers are also accepted. A \$15 processing fee will be applied to all INTL wire transfers. If you're transferring money internationally, all bank fees and foreign transfer fees must be paid to your bank as well.

For returned checks due to insufficient funds, you will be charged \$40 for the first occurrence.

Second offense, you will no longer be able to pay by check and will have to pay by wire or Credit Card before we release your shipment.

MAP PRICING

We want to encourage growth with our resellers and also keep the integrity of our products. Therefore we enforce a MAP policy. If you violate MAP policy, your wholesale account will be placed on hold until all prices are corrected. A list of MAP prices is available upon request.

PENDING TARIFS

Due to the new administration's potential increase of tariffs on imports from China and Mexico, Trick or Treat Studios reserves the right to adjust product pricing at any time throughout the year. If any specific product experiences a price change, we will notify all customers with pending orders of the adjustment.

DISCOUNTS

Available for PFA, and NCA Members only.

Available during major trade shows. Details available upon request.

SHIPPING

All orders are shipped from Trick or Treat Studios warehouse:

1005 17th Ave Santa Cruz, CA 95062

Our primary domestic shipping carrier is UPS. For international shipments, we use UPS International. We may use another carrier at customer's request. If you would like to use your own shipping account or arrange freight pick-up, please note Trick or Treat Studios can charge a handling fee for that order.

DISCREPANCIES & DAMAGED PRODUCTS

We require customers to notify us within five days of receiving an order for any discrepancies and damaged products received. If the wrong product or wrong quantities are received, we will correct at no additional cost. If you received a damaged or defective item, please submit photos with your request. If the product is available, a replacement will be sent. If the product is not available, a refund will be issued.

THIRD PARTY DATABASES

At this time we are no longer accepting customers that sell on third party databases, ie; eBay, Amazon, Walmart and so on.

If you have your OWN website you may use that as an avenue to sell our products as long as MAP pricing is honored.

ANY violations of this term will result in the cancellation of your account with Trick or Treat Studios.
