2026

We are so very happy to celebrate our 10th year anniversary with our valued retail partners! Last year presented all of us with challenges never experienced before. We have weathered the storm, and are eternally grateful to all of you, for helping us negotiate that difficult stretch. We are proud to present our exciting 2026 Gotta Get It Gifts candy collection. There are many new treats as well as tried and true favorites that will certainly fatten up your bottom line. As always, we are at your service to answer any questions and welcome your feedback of any candy thoughts you'd like to share. Gotta Get It Gifts is looking forward to sharing a prosperous 2026 with all of you.

Thank You,
