

Happy Eyes Glasses™ with holographic lenses create fascinating illusions on bright points of light delighting people of all ages. With four unique designs, your customers will use Happy Eyes to add magical fun to special occasions including parties, Valentine's Day, celebrations, and as gifts. For example, our bestselling Hearts glasses can be used as place cards or party favors at weddings and rehearsal dinners. Look at a cake full of candles with the Happy Birthday glasses and in every candle you will see "Happy Birthday"! Cheer up a friend with our Smiley or Star glasses. Customers will buy Happy Eyes by the handful to celebrate life's events! Come on get Happy!
