HOLIDAYSPECS

Christmas 3D Glasses

Put on a pair of our Holiday Specs™ Christmas 3D glasses and magically transform ordinary Christmas lights or any bright single point of light into one of 12 different holiday images. They are brilliantly printed in holiday designs with easy to read directions. These amazing lens specs will delight and astonish people of all ages.

Holiday Specs™, an inexpensive impulse item, are easy to sell displayed on either one of our interactive point of purchase displays. These displays have bright flashing lights attracting customers to "try before they buy".

Just like magic, watch your sales grow this Christmas season as your customers purchase these amazing specs for their holiday parties, stocking stuffers, gifts, or even add them to holiday greeting cards!
