WATCH OUT! You are about to witness an optical illusion beyond imagination.

To activate your Happy Eyes Glasses™:

- (1) Strap on your amazing Happy Eyes Glasses.**
- (2) View any direct, distant point of light--especially at night with city lights, street lights, cell phone light, candles, and holiday lights.**
- (3) Repeat these words, "How did they do that?"**

C'mon get Happy!

The creators of Holiday Specs (over 20,000,000 sold) deliver an amazing product to kick the retail sales blues--Happy Eyes Glasses! Your cash register will smile as customers buy Happy Eyes for party favors, gifts, Valentine's Day, and Birthday parties. These mood altering specs will change the way you look at your impulse sales.
