

EyePop ORNAMENTS

EyePop ornaments are great
for stocking stuffers, cards,
gift tags, and FUN for All!

American Paper Optics, the creators of the wildly successful Holiday Specs, has put a new visual twist on decorating with our fascinating EyePop ornaments. These festive characters will light up any tree as each 3D ornament creates an eye-popping holographic image such as Santa, Snowman, or Candy Cane. Light up your sales with EyePop Ornaments!

Seeing is Believing!
Patented EyePop Ornaments
transform Christmas lights
into one of six magical
holiday images.

Hang them on the tree, send one to a friend, decorate a gift - EyePop ornaments are the most unique Christmas item for your store. The 8 festive designs that create eye tingling illusions on Christmas lights, street lights, and city lights will amaze you beyond belief. Seeing is believing as dancing snowmen, sweet candy canes and rambling reindeer appear before your eyes. Eye-Popping, affordable holiday décor that is fun for all ages!

**FLASHING
LED LIGHTS**

EyePop ornaments are versatile as they are not only an amazing ornament but also perfect as gift tags and greeting cards. They are shipped complete with 48 EyePop ornaments (6 each of 8 unique designs) on an interactive point of purchase display with flashing lights so shoppers can test their amazing effects. The brightly printed display is perfect for promoting impulse sales at the register as customers buy multiple pieces to share with family and friends. Light up your holiday sales with EyePop ornaments!
